@ altaf.reki@gmail.com

📍 Current Location : Quetta, Balochistan

ℹ Born on October 04, 1995 (23 years old)

Former Intern as Web Designer at Glowing Soft, I have a short experience of developing websites design from scratch , also from PSD to (HTML, Bootstrap). I am now a web designer and still passionate about my profession and the new technologies in general. Particularly interested in Responsive design of websites and their back-end working. I wish to pursue my career on web development as web designer or web developer. .

Skill

Web Programming :	**HTML 5, CSS**, Javascript, Ruby on Rails, **PHP**
